

CARIB BEAN COFFEE ROASTERS

AVAILABLE BLENDS

MEDIUM

Guatemalan Antigua

From the best known coffee producing region of Guatemala, this lively coffee with a distinct chocolatey flavour, has become renowned in the region having featured in many commercial coffee chains around the world.

Joy In The Morning

Exotic blend of wild Ethiopian and Sumatran coffee, our lightest roast, perfect for those seeking an easy drinking flavour that will not overpower your senses.

MEDIUM DARK

Hurricane Brew

Our most popular coffee, consisting of a unique blend of five different arabica beans. Developed after the infamous 1998 "Hurricane George", this bewitching brew captivates you with its incredible flavour and spicy aftertaste.

Caribbean Dream

The latest addition to our range, created to celebrate everyone's Caribbean dream, this coffee has a smooth full bodied caramel flavour carrying the richness of the islands with it.

Classic Yachtsman

Developed for the famous Antigua Classic Yacht Regatta, this smooth blend of South American origin roasted in French style will certainly put the wind in your sails with its rich, clean flavor.

Colombian Supremo

Offering the best qualities of great Colombian beans, this coffee has a light-bodied, crisp balanced acidity, and sweet rounded flavour.

Jump-up Java

Inspired by Antigua's Carnival of 1998, this unique blend of Colombia and Costa Rica's finest arabicas contains lively but mild taste.

DARK

Ethiopian Moka Java

The world's oldest and most well renowned blend from the 'home' of coffee, with an exotic medium smooth-bodied taste reproduced in the Caribbean.

One Luv

An invigorating blend between rich Colombian and spicy El Salvador coffee, created in honour of Bob Marley, most popular with the romantics that visit the island.

Journey's Blend

Originally created for one of Antigua's famous residents, a deep rich blend of exotic grown coffees from Costa Rica, Columbia and Guatemalan to begin your adventurous journey.

Tropical Morning Blend

For those magical island mornings, this hefty body coffee with a smooth finish filled with aromatic nectar has an invigorating concoction of Central American and Caribbean basin origins.

DARKEST

Primo Espresso

Our premium espresso blend contains a balance of estate grown coffees from Central and South America carefully roasted in the Italian Style, giving off a deep smoky bittersweet essence perfect for Espresso makers and typical home brewers.

Dark and Stormy

A special blend of dark roasted Latin American grown coffees blended with a quarter Primo Espresso. A full flavoured coffee that makes the ultimate after-dinner drink with dessert. A great way to weather those hurricane force winds!

French Island Roast

An intense and vibrant cup with deep, dark, tangy, elegant overtones with a rich blend of New World coffees from Central and South America. Not for the faint of heart!

DECAFFEINATED

Clipper Ship Decaf.

Dark roasted blend of decaffeinated coffees from the New World and exotic Far East, rich, balanced and brimming with oceans of flavour without the caffeine.

Espresso Decaf.

A varietal quality de-caffeinated coffee roasted in the Espresso style, smooth and balanced with a hearty aroma, without the caffeine.

All of the above blends are available
